Lake Central Schools– Email Announcement -*Subject Line: New for Fall 2015!*

Dear Parents,

We are excited to announce that new for this fall, **Lake Central*** will be offering true electronic management of your children's immunization and medical records. This program is designed to replace paper documents, and eliminate the need for parents to gather and deliver key vaccination requirements to meet state regulations.

- Real-time records updates
- Eliminates gathering and delivering paper documents
- Your own personal portal to view your children's vaccination & medical records.
- Mobile capability, so your records are available anywhere, anytime.
- Security: robust, top level cloud security.

Parents register and/or confirm an account with your health provider's:

My Chart, (consult your physician as to your provider). *Example:*

Community Hospital:

1. Go to My Chart <https://mychart.comhs.org/MyChart/>
2. Request Activation Code – will take 48 hours
3. Enter Activation Code – follow directions and view data.

Franciscan Hospital:

1. Go to My Chart <https://www.franciscanmychart.org/MyChart/>
2. Call or ask provider for Activation code and view data

MyVax -

1. Obtain your **Pin#** by visiting Lake County Health Dept.
2. Register your child at - <https://myvaxindiana.in.gov/>
3. Confirm Registration by viewing your records.

Medications, register with your pharmacy (Walgreens, CVS, Target, etc.)

You will receive an invite to register with this program, after you contact us. If you have any questions, contact: **support@oneplacenow.com**, or office at 317-663-3696
