Dear Parent or Guardian:

The Indiana State Department of Health and the Indiana Department of Education have mandated that all schools enter immunization data on the CHIRP (Children and Hoosiers Immunization Registry Program) web site. CHIRP is an internet-based immunization program of the Indiana State Department of Health. This information may be used to verify that your child has received proper immunizations.

A consent form must be signed before immunizations are entered into CHIRP by the school nurse. This form is to be filled out only once. Please complete the attached form and return it to your child's school.

Thank you for your time and cooperation.

LAKE CENTRAL SCHOOL CORPORATION

The mission of the Lake Central School Corporation, as a family, community, and school partnership, is to ensure that each student becomes a self-directed learner and a contributing responsible citizen through an instructional delivery system that engages students in achieving their personal best.
